

# Walled Lake Northern Knights 2019

## High School Baseball Program

### Sponsor Agreement

The WLN Baseball program enjoyed another very successful 2018 season on and off the field. In 2018 the Varsity Team compiled its seventh consecutive winning season. 10 players were recognized as Academic All-Conference and the team was honorable mention All-State. In addition to that, 1 of our players was all-region and honorable mention All-State. We are looking forward to another successful campaign and we sincerely need your support. As many of you know, school funding for any extras over and above the most basic supplies is no longer supplied by the district. This season, The Walled Lake Northern Knights Baseball Team would like to acquire updated equipment and continue with field improvements that have been made over the last several years. The Walled Lake Northern Baseball Booster Club is hoping for your support. Advertise your company on the Walled Lake Northern Knights Baseball website and field to receive year around marketing and advertising. With over 150 local residents in our program, and close to 40 home games, this is a great way to promote your business as well as support the Knights in the quest for another successful season. This is an outstanding opportunity to expose your business to local, loyal customers for a nominal fee.

Again this season, we are offering increased ways to support the program. Please consider becoming a **SILVER** or **GOLD** level booster. Your increased support will give your company advertising in the Knights Baseball Program as well as complimentary tickets to the Knights Baseball Banquet. Your generous support will also assist the program with their long-term planning goals. If you have any questions regarding the use of these funds, please do not hesitate to contact the Booster Club. As always, **GO KNIGHTS!**
